

## Active Redondo Woman to Head Cancer Canvass

Mrs. Russell Shea of Redondo Beach will serve as American Cancer Society residential crusade chairman for District Eight, James J. Weigel, chairman of the District Crusade announced yesterday.

"We're after the answer to cancer and we're delighted to have Mrs. Shea head our residential education and fund-raising program," Weigel said.

Mrs. Shea appealed for assistance in the residential crusade from men and women in all parts of the District. The house-to-house, block-by-block canvass is set for Monday evening, April 17. At that time the Society wants to reach every house in the District. District Eight includes El Segundo, Hermosa Beach, Manhattan Beach, Redondo Beach, Hawthorne, Inglewood, Lawndale, Lennox, Playa del Rey, Westchester, Palms Verdes Estates, Portuguese Bend, Rolling Hills, Gardena, Harbor City, Hollywood Riviera, Lomita, Torrance, Waverly.

Everyone wanting to become an important part of this drive to find the answer to cancer is being urged to contact the District office in Inglewood at OR 2-8148.

Funds obtained in the residential collection, along with funds from other sources, will be used to back the important research, education and service programs of the American Cancer Society.

Mrs. Shea was residential chairman for the Redondo Beach unit in 1960. She was recently chosen Citizen of the Year for Redondo Beach, the first time a woman had been given that award.

She is president of Redondo Beach South School PTA, leads Girl Scout Troop 172, and is active in more than a dozen community and civic organizations. She is the wife of Dr. J. Russell Shea, former mayor of Redondo Beach.

## San Francisco Student Riot Movies Slated

A documentary motion picture "Operation Abolition" will be shown to the general public, tonight at 8 in the Knights of Columbus Hall, 214 Ave. I, Redondo Beach.

This movie is a revealing expose of the Communist led and inspired student riots in San Francisco in May 1960 on the House Un-American Activities Committee.

This picture will be shown under the sponsorship of Court Our Lady of Victory 1344, Catholic Daughters of America, to enlighten and inform everyone about the menacing tide of Communism.

Mrs. Stacy Rodman, grand regent, extends an invitation to all residents of the South Bay, especially teenagers and organization representatives to attend this informative presentation. No admission will be charged.

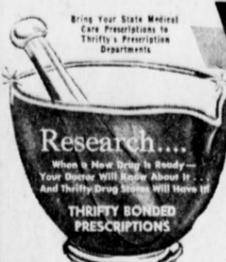

Guest speaker of the evening will be John F. Fergus, who will give helpful information on this timely subject.

## Versatility Of Organ Illustrated

A history of the organ, one of man's most versatile musical instruments, was traced from its beginning to the current electronic marvels by John Brent Ledwon at a recent organ concert at the Bettie Thomas Organ Studios, 1215 Crenshaw Blvd.

Ledwon, an internationally famous concert organist, then demonstrated the versatility of the instrument with selections from such songs as "Around the World in 80 Days," "Poor People of Paris," "Nola," "It Had to Be You," "In a Persian Market," and "Dreams." He also played "Dizzy Fingers," and "Tenderly," to show the wide range of virtuosity the organ can handle.

Others on the musical program included 11-year-old Karen Chapla, who has been studying about one year; Gail Thomas, Lyle Grundy, and Ken Shelton. Shelton demonstrated the many sounds that can be produced on a good organ.
